Response to ODNR Draft Comments Dated August 29, 2014

Dear Ms. Pratt:

We are responding to the draft review comments that you e-mailed to us on August 29, 2014. We are providing responses to the comments in the first section for ODNR's revaluation of the impacts to the surrounding environment and public safety. We will address the comments for the proposed rules to clarify ORC 1509.22 at a future date.

The responses are included as an attachment to this letter. We have also attached a revised application page for the site to correct the street name to Jewett-Germano Road, instead of Jewett-Geronimo Road.

We trust this response answers your comments.

Sincerely,

HAMMONTREE & ASSOCIATES, LIMITED
