Dear Adam - Another one per ORC 149.43: Can you please provide all referrals to the Ohio Attorney General's office from the ODNR regarding cases involving operators of the UIC program in Ohio? The USEPA cited cases of referrals by the ODNR in 2016. Please provide all referrals for investigation by the Ohio AG of the Class II injection well program in Ohio from 2011 until the present, including original documentation of possible violations and any responses received in return from the AG's office.

Thanks as always for your kind assistance and responsiveness. Please let me know if you need additional information to complete this request.

Best,
Lea
