<p>* Removed from this change of owner as per letter of 5-11-07          &amp; phone call of 5-16-07 to Doug Adams. After further ownership          research, he determined that he did not have title to these wells. I          have taken them off his bond and replaced them into the Orphan          Well Program.
