NOTE FOR WELLS TRANSFERRED TO LANDOWNERS: The well you are purchasing for domestic use may require periodic servicing to maintain productivity. When the well becomes incapable of production, you are required to plug the well and restore the site in accordance with Division requirements. Any brine produced must be properly disposed in accordance with Chapter 1509., ORC. You should be aware after transfer, ALL EXPENSES incurred are the responsibility of the well owner.

ASSIGNEE/TRANSFEREE:

I, the undersigned, depose and state that I am the owner of aforementioned oil and/or gas well and that I have the right to appropriate the oil or gas that I produce therefrom either for myself or others. I further depose and state that I shall comply with the assignor/transferor's Restoration Plan and will comply with the requirements of Chapter 1509., ORC, and Chapter 1501., OAC, for the disposal of brine. Further, it is understood that upon proper completion of this form, I will become the "owner" as defined under Chapter 1509., ORC, and must comply with all laws, rules and orders by the Chief of the Division of Mineral Resources Management.
